Jane Kearns

OUR MOTTO:

**WHEN ONE HELPS ANOTHER
BOTH BECOME STRONGER**

CONFERENCE GOALS

- ✧ To identify the important role of spirituality and mind-body integration to achieve global peace
- ✧ To share a few modalities that integrate mind-body-eco-spirit for promotion of health, unity, and peace globally
- ✧ To develop remedies and solutions to address the collective needs, which also include and express the individual needs

ATOP MEANINGFULWORLD

Founded in 1990, the Association for Trauma Outreach & Prevention (ATOP) Meaningfulworld has achieved international recognition as a leader in training humanitarian outreach professionals as well as responding to two decades of global and local disasters. ATOP is committed to global education promoting state-of-the-art scientific theory, peace and consciousness research, & the development of technical skills to train humanitarian workers globally.
